

2008 Letting Schedule and 1300EZ Filing Dates

Eligibility to bid on MDOT advertised projects is determined by a prequalified contractor's "work on hand." A contractor interested in bidding as a prime must complete Forms [1300EZ](#) (Statement of Current Contracts and Subcontracts) and [1381](#) (Request for Eligibility to Bid). These forms can be submitted directly to MDOT via the Internet, or by fax at 517-241-4193 or 517-373-3707. Fax lines are available 24 hours a day, seven days a week, including holidays.

Below are the 2008 Letting Schedule and 1300EZ form filing dates by letting:

It is the responsibility of the contractor to comply with the schedule including any dates that fall on state paid holidays.

Rule 247.43 (1) of the "Classification and Rating of Bidders" (Administrative Rules) states in part that, "A bidder desiring to bid on department projects shall file with the department, on a department form, a statement reporting work on hand. The form shall be received in the department contract office in accordance with the schedule provided by the department. Bidders failing to submit the form with all required information, and as provided in these rules, are not eligible to bid...."
